

**Ph.D. (2008) : University of California, Berkeley, USA**

**Postdoctoral Experience:**

- Sep 2008-Jun 2009: Szego Assistant Professor, Stanford University, USA.

**Research Areas:**

- Differential geometry, Topology, and Mathematical physics.

**Achievements:**

- Impressive list of 6 publications. 1 has appeared in the highly ranked Journal of Differential Geometry while 5 other papers were published by reputable journals such as Transactions of AMS, Pacific J. of Mathematics and Communications in Analysis & Geometry.
